

MARO WORLD INDUSTRY  
WORLD OF HUMANS

## COMPANY DESCRIPTION

**Roshanak Saberian**

*CFO / Canada Office*

Adress: **27 Glenstroke Drive  
Scarborough, Toronto  
ON M1S 3A1, Canada**

E-mail: [info@maroworldinc.com](mailto:info@maroworldinc.com)

**M.Sc. Marko Vitaković mech.eng.**

*CEO / Europe Office*

Adress: **Drage Todorovic 54,  
34113 Kragujevac,  
Republika Srbija**

E-mail: [office@maroworldinc.com](mailto:office@maroworldinc.com)

Mobil: **+381 60 6377551**

# DEVELOPMENT DEPARTMENT

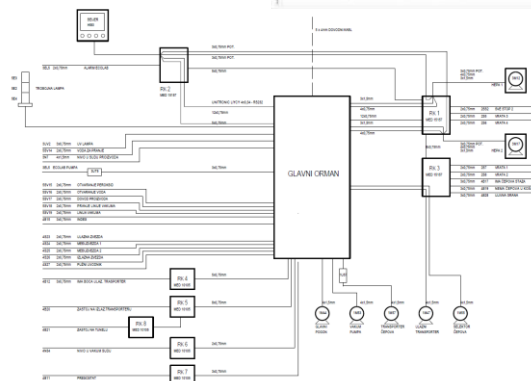

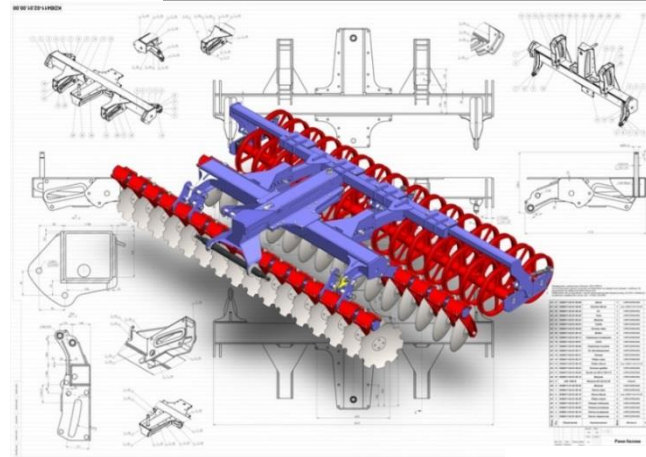

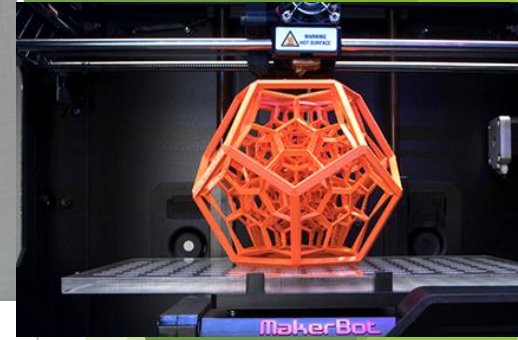

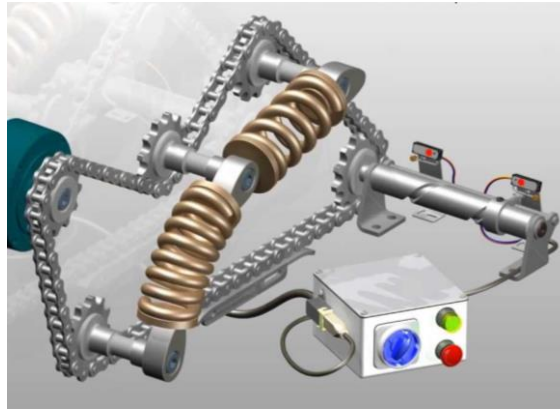

CAD Software

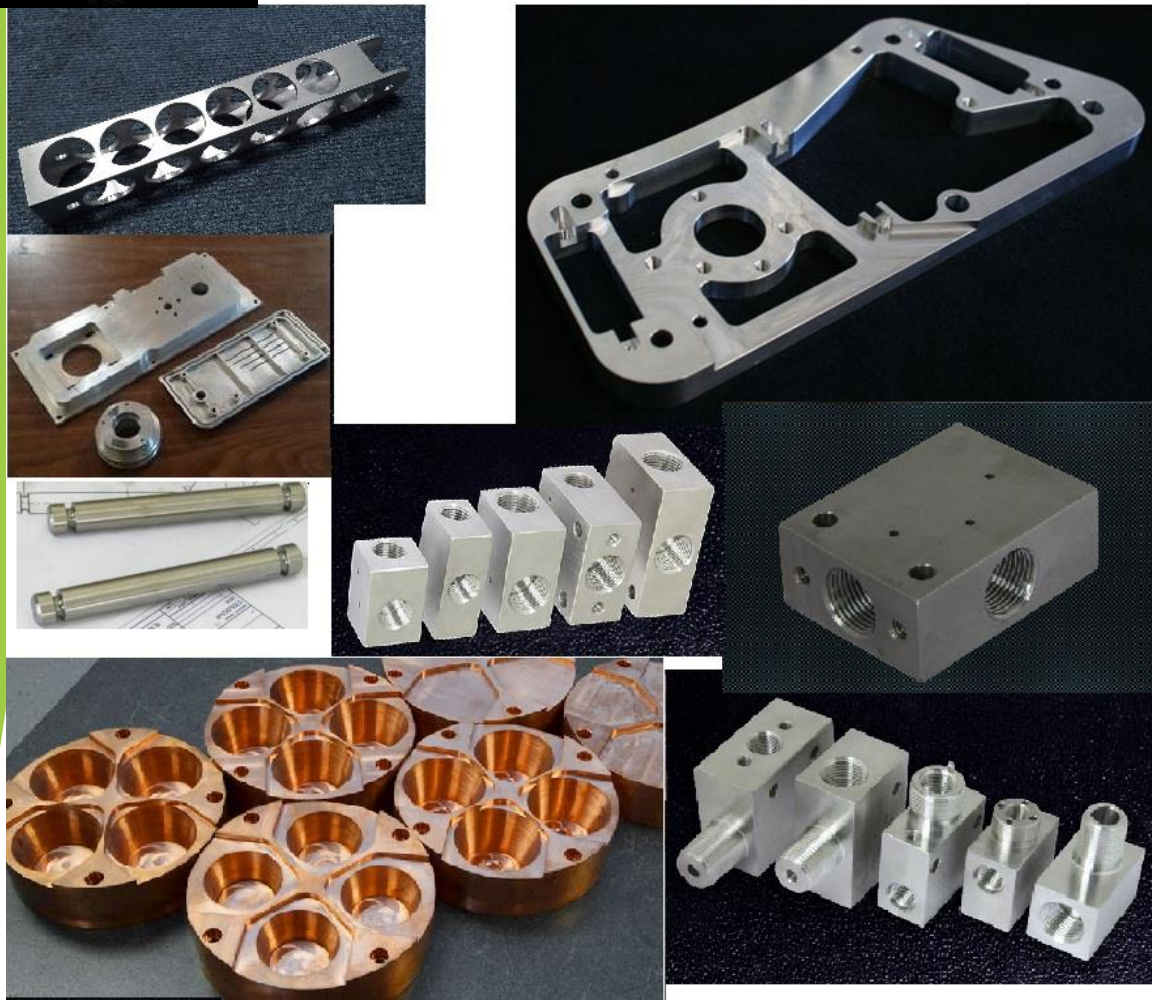

Autodesk Inventor  
Solidworks  
CATIA V5

Workstation

ASUS  
ERAZER MEDION

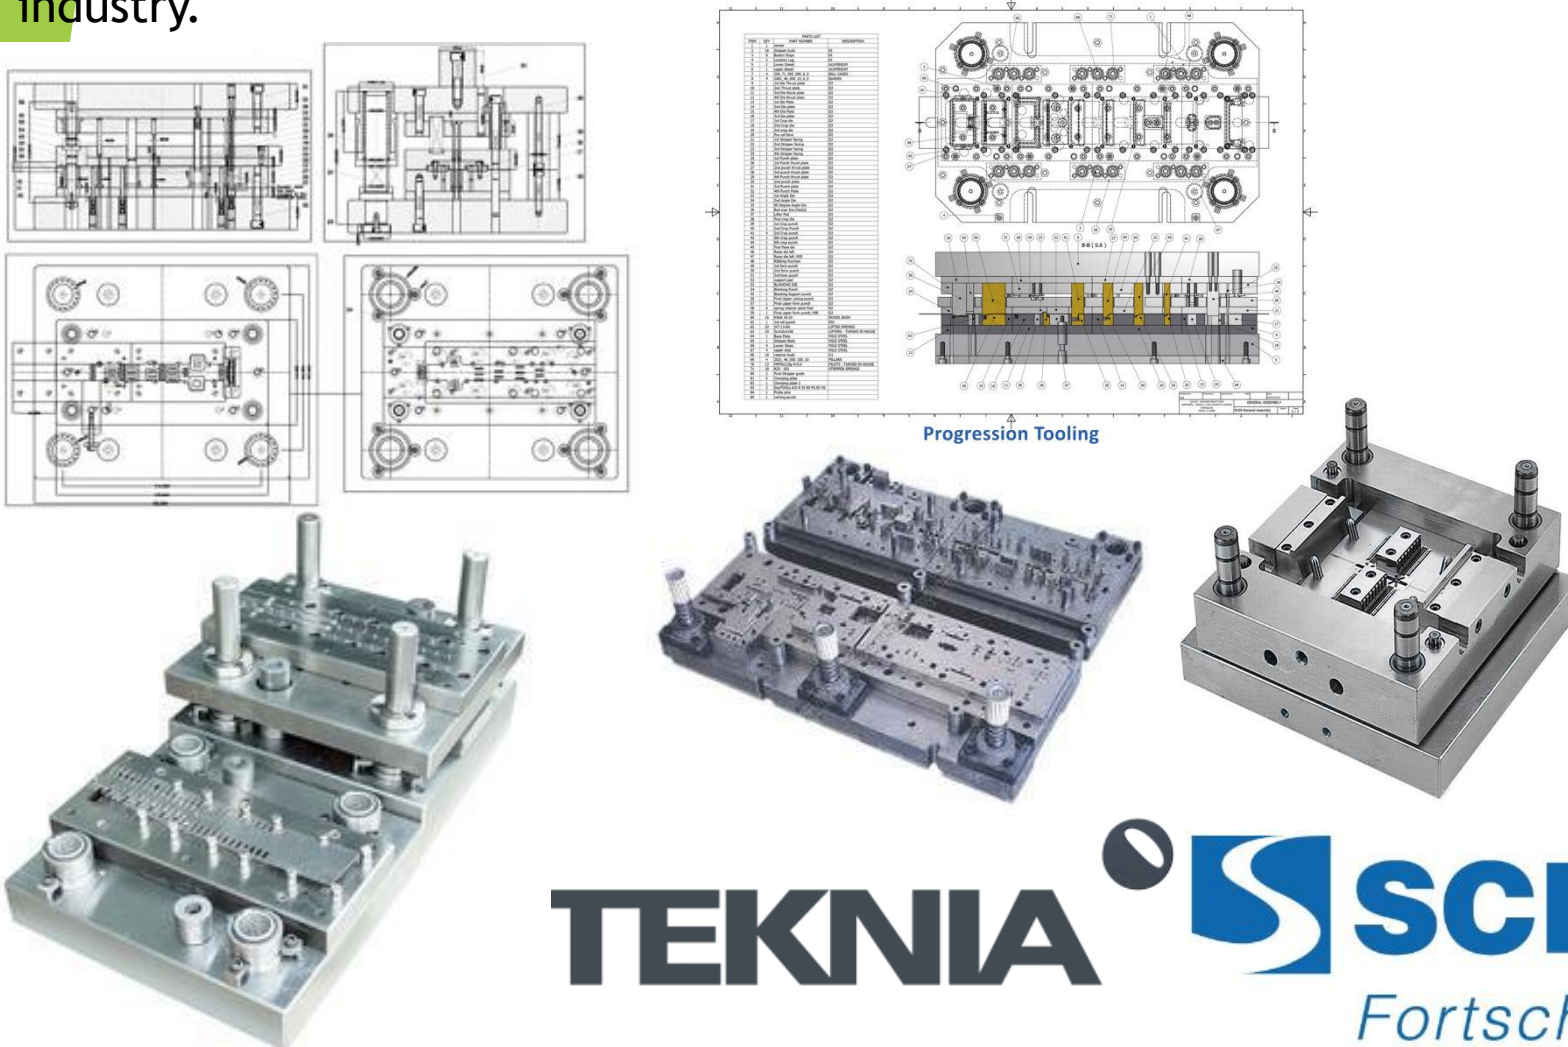

# FORMING TOOL

## PDM & WORKSHOP

### FROM IDEA TO FINAL PRODUCT

Experience in this field of activity is a good basis for the production of tools for the automotive and aviation industry.

**TEKNIA**  **SCHERDEL**  
*Fortschritt aus Tradition*

**MAFLOW**  
spain automotive

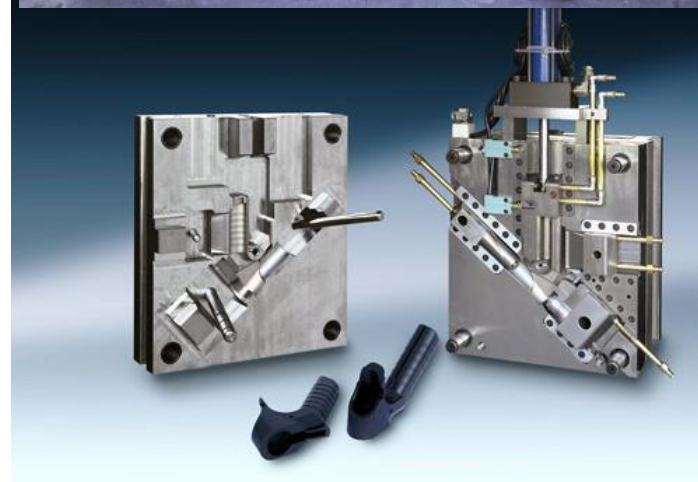

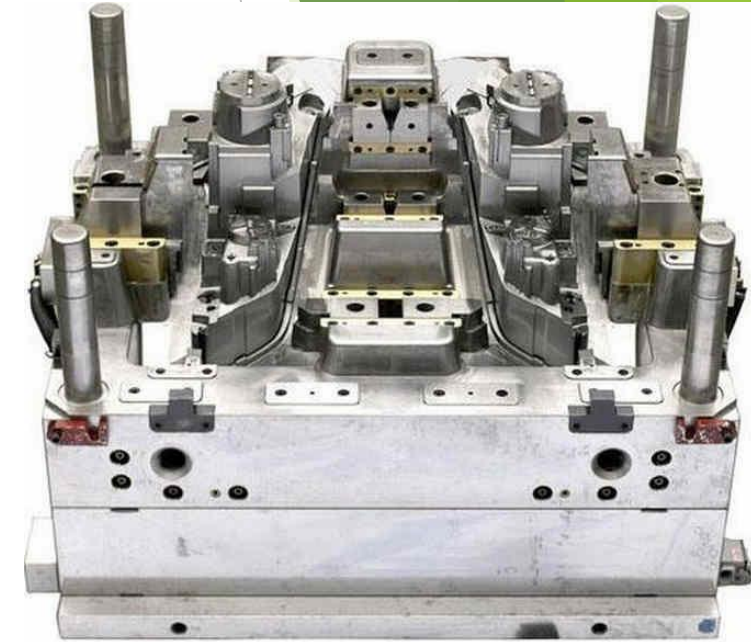

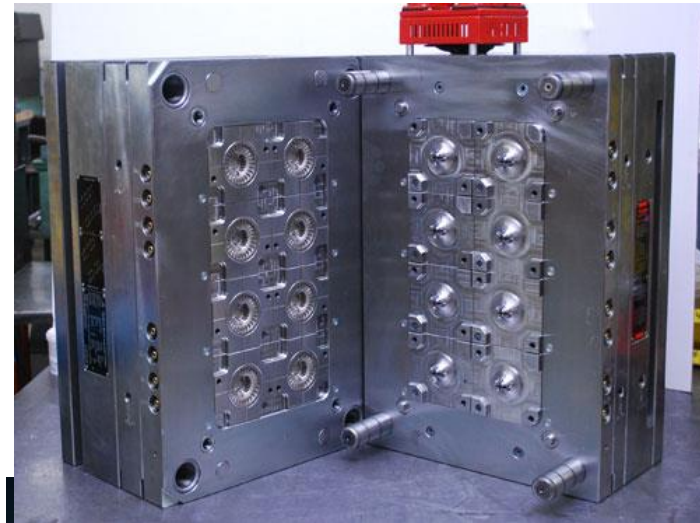

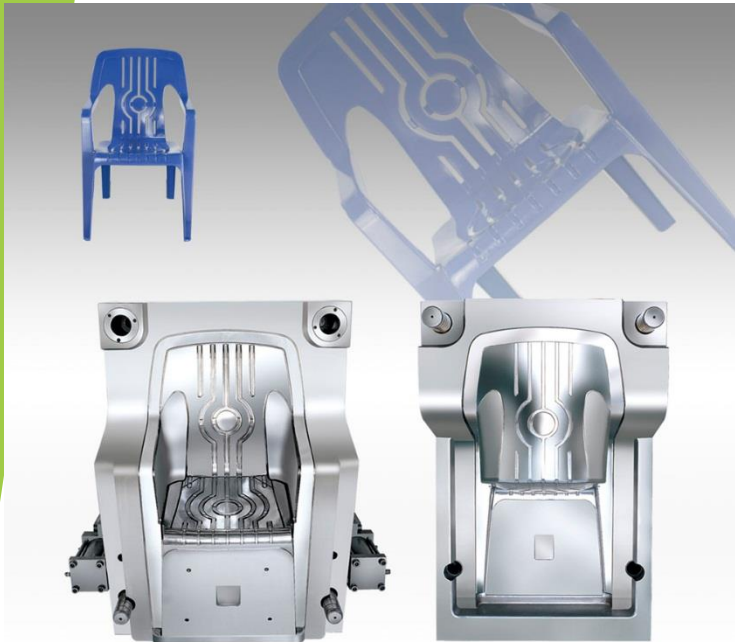

# INJECTION TOOL

## PDM & WORKSHOP

### FROM IDEA TO FINAL PRODUCT

Our expert team with many years of experience in the field of tool making and tool making, based on data from customers, realizes complex projects in a very short time in individual solutions.

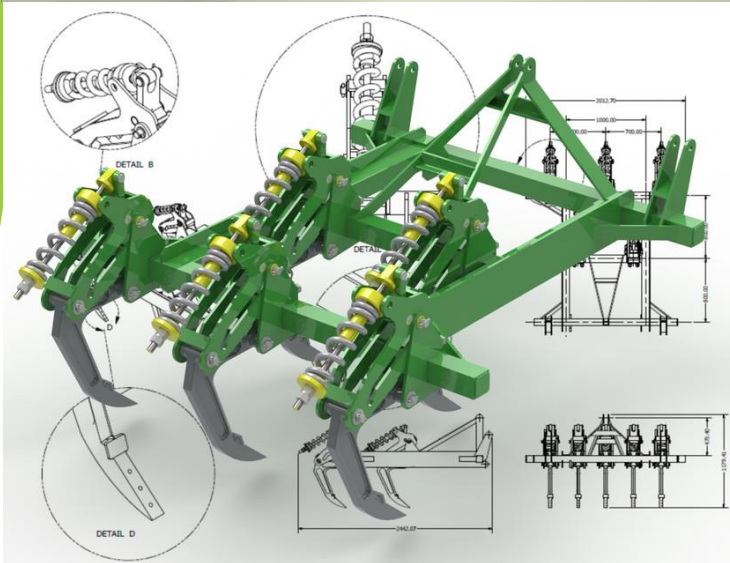

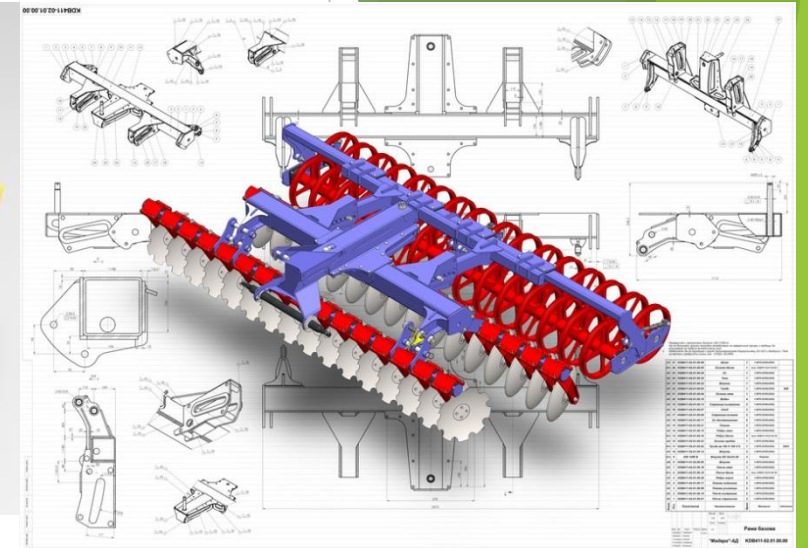

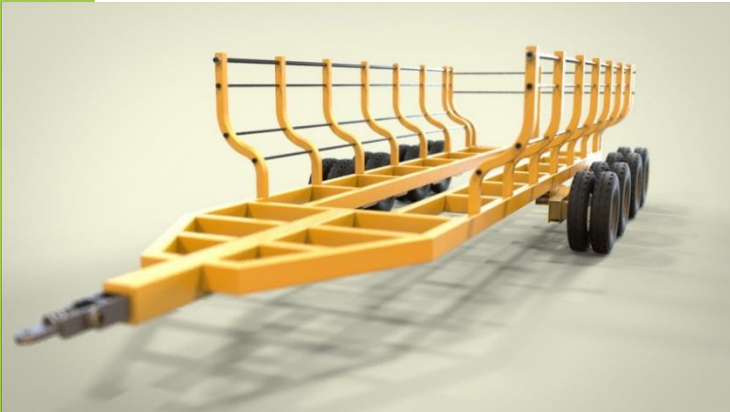

**RUTLANDPLASTICS**  
Right People Right Partner

# AGRICULTURAL MACHINERY

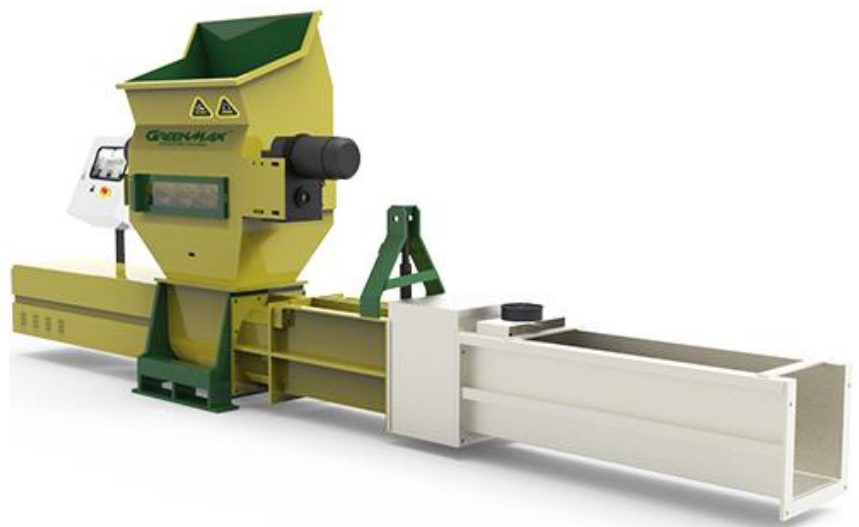

## PDM & WORKSHOP

# RECYCLE MACHINERY *PDM*

# AEROSPACE TRANSPORTATION

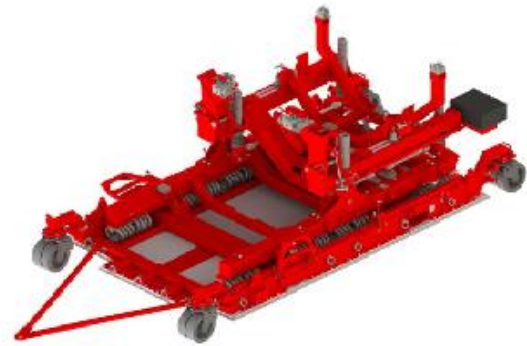

*PDM & WORKSHOP*

ArianeGroup

arianeGROUP

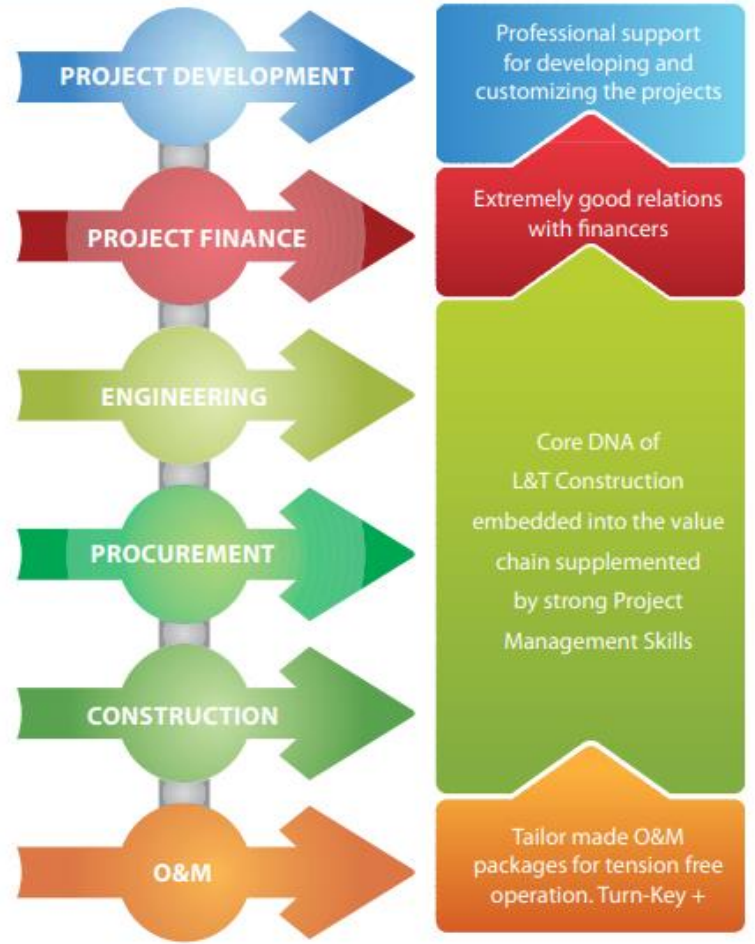

# SOLAR POWER PLANT

## PDM & SUPERVISION

### ECONOMICALLY VIABLE – TECHNOLOGICALLY SUPERIOR

ENGINEERING	PROCUREMENT	CONSTRUCTION
<ul style="list-style-type: none"> <li>• Highest engineering standards</li> <li>• Adoption of Best-In-Class practices</li> <li>• Dedicated in-house design experts</li> <li>• Continuous innovation</li> <li>• Optimized designs for lowest LCOE &amp; higher ROE</li> <li>• Cutting edge software's</li> <li>• Site selection &amp; assessment</li> <li>• ISO &amp; OHSAS certified facilities for manufacturing structures</li> <li>• Site specific Technology selection</li> </ul>	<ul style="list-style-type: none"> <li>• Wide experience across global supply chain</li> <li>• Long term component partnerships</li> <li>• Excellent bargaining power</li> <li>• Best access to the best of technologies</li> <li>• JIT techniques for optimization of resources</li> </ul>	<ul style="list-style-type: none"> <li>• Single point responsibility</li> <li>• Fixed cost of project</li> <li>• Timely completion within budget</li> <li>• Achievement of performance guarantees</li> <li>• World class construction management</li> <li>• Project management and planning</li> <li>• Safety programs</li> <li>• Shortest gestation period in the industry</li> </ul>

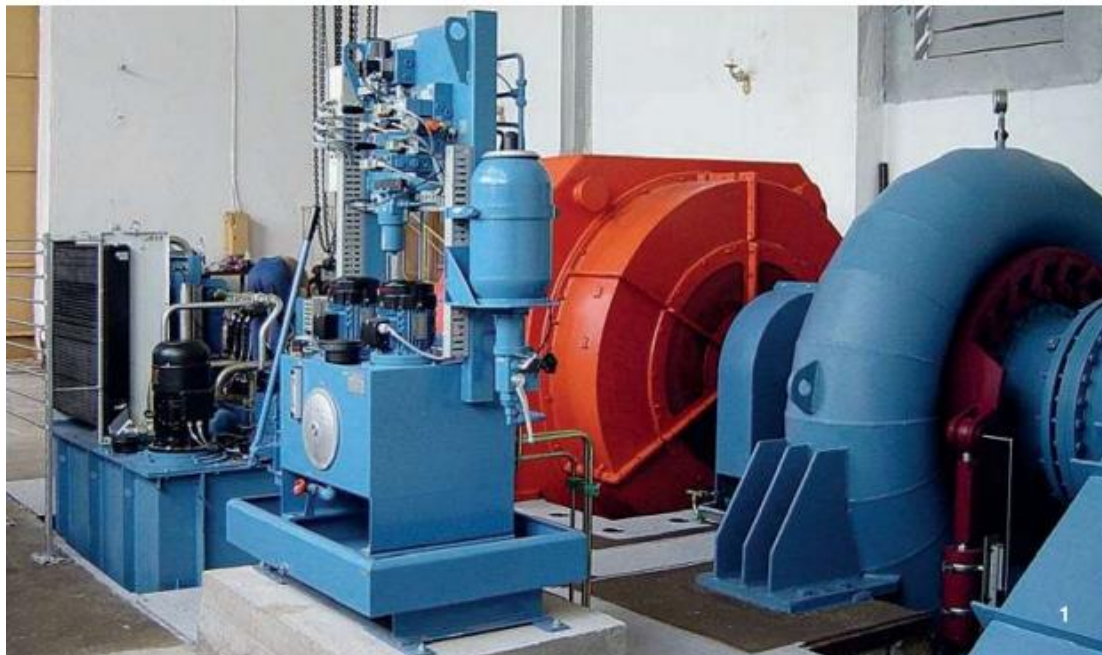

# HYDRO POWER PLANT

*PDM & SUPERVISION*

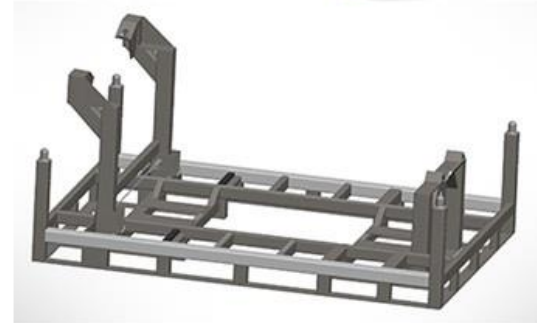

# METALIC CONTAINER

## PDM & WORKSHOP

# WATER WASTE TREATMENT

## PDM & WORKSHOP

Technique File  
**PUMLAC**

**CLARIFLOCCULATORS**

**SAND REMOVING BRIDGES**

Technique File  
**Aeration Compact PLANT**

Technique File  
**SUCTION DECANTERS**

**FLOTATION THICKENERS**

**SCREWS CARRIERS**

**DRINKING WATER COMPACT PLANT**

**SAND REMOVING BRIDGES**
